25X1 2. [] Comment. The troop train [] was confirmed
25X1 [] however, only with a train section of seven cars which,
apparently, were coupled to the train at Wildpark. []

[] As the troop train [] also went from Wildpark to Arnstadt, it is assumed that rear details of signal units of the Eighth Gds Army, which had participated in the command-post exercise, were transported back to Ohrdruf. The bulk of the participating units of the Eighth Gds Army returned by rail from Burg to Thuringia on 8 September 1953. Other observations indicated
